A Real Gem

This grand old style timber home has a real presence. A large easterly facing verandah is a great place to entertain or enjoy morning coffee. The home has 3 b/rooms, very nice kitchen, bathroom, dining area, separate lounge & lovely sunroom at the front. Some air conditioning & fans are in place. A large downstairs room has air con plus second toilet & could be utilized for many purposes. Would be a great work from home scenario. The home has many traditional features including vj internal walls & high ceilings. There is also an outside entertaining area. A large shed has a concrete floor with space for a couple of vehicles as well as workshop. The 1012m2 block is fully fenced. Space for a boat or van if need be. Vegie garden. Probably the best buy in town.
