A Great Family Home

A great family home. Only having a handful of owners this giant of a house is in great original condition. Featuring 5 bedrooms, office, large lounge and large separate dining, high ceilings, French doors and timber floors. Enclosed verandahs on the North and Eastern side make for great sitting areas to take in the morning sun but could easily be converted to open verandahs to capture the views back over town. A covered entertaining area flows from the lounge through French doors and offers a nice private space. Rear yard access and some amazing established trees all within a stones throw from Boonah's main street.

Price: \$350.00
