A LITTLE BIT OF SOMETHING SPECIAL

Midway between Boonah & Kalbar is a lovely 5 acre block of scrub soil. The block is fully fenced & with an area of virgin scrub. A near new 4 bedroom home with verandahs on 3 sides sits on a ridge top position and has commanding views. The home is constructed from a split face block and insulates beautifully. A separate lounge room with its own fire place is a real feature along with polished timber floors plus most mod cons. A large colorbond shed with full length skillion offers parking as well as being set up with shower & toilet. Town water is connected and it has sealed road access.
