Keep an eye on the activities of central Boonah;

Marvellously located fifties style home [on 868 m2]. Virtually on top of Hospital Hill? the view is directly down Park Street over town & beyond to the mountain ranges. A one owner home carefully maintained and reluctantly offered for sale. 4 b/rooms [main with en-suite], kitchen, combined lounge/dining, enclosed family room/sunroom & open veranda ideal to enjoy the morning sun, plenty of storage underneath, plus car shed and established garden, [2 x 1,000 gal. rainwater tanks]. This represents a rare opportunity to buy in a highly regarded Boonah locality; we urge all buyers to be ? on the ball? for this one .
