What A Great Start!

This lovely original worker's cottage is set on a private 10 acre block some 20 minutes from Beaudesert. Here you can have your horses, dogs or bikes without the expense of a large rural property. The solar powered furnished cottage features tongue-in-groove lining, timber floors, a slow combustion fire, timber kitchen area with new gas stove, pantry and fridge, separate bathroom/laundry with linen cupboard and a washing machine. The block is fully fenced with a timber stock yard and a good dam. A Massey Ferguson TE20 tractor, slasher and blade is included in the sale, as is an on-site caravan, sheds and assorted building materials. A ridge of natural sandstone on the property could provide material for building, landscaping or sale. Just the ticket for first home buyers wanting acreage lifestyle at a budget price. Call exclusive agents Bartholomew & Co., Beaudesert office to inspect.

Price: \$345,000.00
