Easy Living ? Great Location!

Life's a breeze for the whole family in this easy care home. Just move in and enjoy the added extras such as security screens on all doors and windows, air-conditioners in the master bedroom and family rooms, ceiling fans in all bedrooms, plus quality floor tiles and vertical blinds throughout for easy cleaning. The master bedroom has an en-suite and walk in robe, with a sliding door opening to a paved area of the yard. Another two bedrooms both have built-in robes and ceiling fans. Off the formal lounge is a large office, media room or fourth bedroom and off the kitchen is a light and airy family room which opens out to the compact and very neat rear yard with BBQ, covered entertainment area and a large 2 bay workshop with roller doors. At the front of the home, the attached double garage has internal access and a remote control panel lift door.

A great deal of thought has gone into the landscaping which is attractive yet easy to maintain. The rear yard is fully fenced and a large gate allows access from the front of the property if required.
