Something Special. Built by a master craftsman...

Built by a master craftsman for their own use. However retirement is now calling. Pride of workmanship with attention to detail being evident right throughout the entire home & surrounds. This home with a difference has features to numerous to mention however they include large open plan living which flows to covered out door area, great kitchen with servery to BBQ area, ensuite to spacious main b/room, air con plus tiles & carpet throughout. It does not stop there as outside is a large freestanding 2 bay garage plus workshop which matches the home, fully fenced & landscaped yard with fruit trees & vegie garden as well as rain water tank. You will not duplicate this quality for the asking price.

Price: \$399,000.00
