PEAK CROSSING, QLD

3 1

80937 m2

A lot of charm. Great location

On the edge of ever growing Peak Crossing we have 20 acres of excellent soil presided over by an original Qld style home. It has 3 bedrooms, lounge, kitchen, dining & open verandah on 2 sides. Very original and would make a marvellous renovator. Town water. Windmill. Some old buildings. Lots of character here. Squarely priced for this area. \$465,000

Price: \$465,000.00

Property Type: House
