KALBAR, QLD

Kalbar - A Choice 860 m2 Corner Block

Good views. A little bit of history here with this property only having had one previous owner in its 70 odd year history. This timber home has 3 b/rooms, eat in kitchen, lounge & enclosed front verandah. Lots of features include high ceilings, vj walls & pine floor boards which would polish up a treat. A lot to like here at a realistic price of just \$250,000.

Price: \$250,000.00
