Boonah's best view.

We have 2,023 m2 of near level land on a hill top position in a nice suburb. There is a very nice low set 'bungalow' style home with many beautiful features including polished floors, vj walls & air con. There is a 6 x 9 metre c/bond shed with power connected. The yard is fully fenced and has some lovely mature trees. There are 3 rain water tanks. This is good. \$299,000
