## Beautiful Pool With Tropical gardens

This 1012m2 property boasts a unique style of living surrounded by lovely tropical gardens and an inground pool. There are 3 bedrooms + a study, a cosy wood fire place for those unpleasant days and some beautiful timber flooring. Inside is spacious with open plan living, dining and kitchen areas with a nice back deck overlooking the pool. There is also a shed with one side for car storage and the other as a rumpus area which looks out over the pool area.
