## Quality at an affordable price

? Quality at an affordable price in a cul de sac position in a prime residential area. This modern home has all the bells and whistles. An open plan living dining/family room has polished timber floors & is presided over by a galley style kitchen with large pantry & d/washer. Main b/room has ensuite & walk in robe while the remaining 3 b/rooms are carpeted & have built in robes. A large rear veranda has a north easterly aspect & is constructed under the main roof line. Parking is provided for 2 cars in attached garage with remote control doors. The block is fenced & there is a rain water tank. A good product. Realistically priced at \$385,000
