

24 Mt French Road BOONAH, QLD

3 1 2 8294 m²

Boonah Acreage.

In excess of 2 acres (8,294 m²) with in easy walking distance of High Street shopping. A solid low set 3 b/room brick home has commanding views to the mountain ranges. Having had only one owner this home has been well loved however being approx 35 years old it will benefit from some new floor coverings & internal paint work. There is decent size shed as well as parking provided in an attached carport.

Where else could you accommodate an animal or two & still be in striking distance of all amenities. Sub-divisional opportunities would be worth while investigating.

Price: \$375,000.00

Property Type: House
