'Rose Cottage' is a charming 3 b/room cottage located a mere 200 metres from Boonah CBD. Situated on a 435 m2 corner block this could make a lovely weekender or Holiday let. Of course it could also be your permanent home. From the authentic bull nose front veranda & through the home with its polished timber floors, vj walls & high ceilings there is a lot to like. A 2 bay shed with concrete floor & power provides both parking & work space. Very difficult to find a property with this location & genuine character.
