

Lot 2 Newlove Road MAROON, QLD

1 1 1 2357 m²

A one off opportunity

Not often does a property of this nature hit the market. Formerly St Andrew's Anglican Church located in the sleepy village of Maroon, could this be your country escape? Sitting on just over half an acre of land that offers fantastic views to Mt Maroon and surrounding farmland, the church building has raw silky oak timber lining, high ceilings, timber floors and even the church bell is still in place! If you are looking for your own little piece of history in the scenic rim be quick to act as this won't last at only \$199,000 + GST.

It is noted the property does not have bathroom facilities.

Price: \$199,000 + GST
Property Type: Acreage/Semi-Rural
