Where eagles fly!

In a unique elevated location and only a stones throw from Boonah CBD, this is by far one of our most appealing properties to offer for sale. Boasting spectacular views from every room this property is sure to impress. A sprawling 4 bedroom + office brick home takes pride of place with features including, formal lounge, formal dining and 9ft ceilings. A large covered entertainment area flows from the home and offers privacy and exceptional views. A bitumen driveway leads to the double lock up garage, double carport as well as the 4 bay shed. The approx. 12 acre block is all usable and is fenced into several paddocks, has 2 dams and hay shed. An immaculately presented and maintained property this is a credit to its owners and inspections won't disappoint.
