## 19/ Berryman Circuit BOONAH QLD

A great block in a superior location with lovely views. The Estate can now be judged by quality of the established homes. All amenities, an excellent development, we recommend your prompt inspection. Elevated building sites, town water, just a kilometer or so north of town. This is a great location to raise a family or quietly retire. 4,001m<sup>2</sup> - \$188,000
