

662 Round Mountain Road JOSEPHVILLE, QLD

 798200 m2

You Won't Find Many Like This.

This is a great property in a great location so close to Beaudesert town centre. A block of this size with these features is hard to find in this price range. Sandy Creek runs through the property with some spring fed holes and there is also a dam at the front of the property and 1 at the back. The property would run approx. 45 steers and there is a small set of steel yards. Power is on the property ready to go.
