Nature lovers need to look at this

Many types of flora & fauna are to be seen on this large 258 hectare (638 acres) of mostly natural bush land. Plenty of natural vantage points, rock formations, ravines & gullies to explore. This is not a grazing paddock & will be viewed as a little paradise for the right buyers. Perhaps a syndicate could be formed to establish a holiday/bush retreat. Located quite centrally to Boonah & Beaudesert this paddock is not at the end of the world. A bargain price at just \$375,000

Price: \$375,000.00
