Wow !!!!! Massive Price Reduction

A Country Cottage with 100 acres of grazing land which is not easy to find at this price. There is potential for some small cultivation and there are plenty of rolling hills and sweeping plains for the livestock with the addition of improved pastures. The house requires some renovation. There are some beautiful views looking down the valley and all of this at this price and only 30 minutes from Beaudesert.

Owner says SELL.....

There are a number of large acreage properties surrounding this farm which are also up for sale.
