

74/ Mt Walker Road MOUNT WALKER WEST, QLD

📏 1115000 m2

A good size rural property

There is 275 acres of good quality grazing/farm land located in a highly regarded area. There is a great building site with magic views overlooking the property. Mains power is already connected to a large hay shed enclosed on 3 sides. There is a strong set of older style timber stock yards with crush, head bail & ramp. Old dairy shed plus various older style buildings. Stock water is provided from a dam, spring gullies & a wind mill pumping from a bore to a header tank. There is some internal fencing with approx. 50 acres of land which has been cultivated in the past. This represents a rare opportunity to purchase a larger tract of land. \$850,000 plus GST if applicable.

Price: \$850,000.00

Property Type: Rural
