

407 Milford Road MILFORD, QLD

161874.256 m²

Rarely available.

This excellent scrub soil block, with every one of its 40 acres being usable, is approx. 5km from Boonah. Watered by 3 dams (still with some water in these terribly dry conditions) and an unequipped bore. Town water passes. Power should be readily available. Sealed road access. Marvellous views from a choice of building sites. There is a large hay shed, slab barn, old dairy building & very serviceable stock yards. Definitely the best available in its class. Very reasonably priced. (Note. The two "green" photos at the end of the photos represent what the property can look like in better times.)

Price: \$465,000 plus GST if applicable

Property Type: Rural
