Take yourself back in time

Four generations of the same family have been the custodians of this genuine working property. Previously a dairy farm as evidenced by the authentic old dairy buildings & the amazing home which is estimated to date back approx. 120 years for the original structure. The country is quality scrub soil as 'clean as whistle'. It is well fenced & watered by 4 dams & spring gully in season. Other improvements include an original slab barn with a raised timber floor (a beauty) a fully enclosed large hay shed, old milking dairy with basic stock yards. The home sits high on a hill offering views over Boonah township with a virtual 360 degree area. There are some great Moreton Bay fig trees to complete this mighty package. We believe that the first person to inspect will purchase this great property. \$729,000.

Price: \$729,000.00
