Try and find better!

Only the 2nd time this property has been offered to the market in at least the last 50 or so years, you will struggle to find a nicer block. Approx. 77 acres of cleared to semi cleared scrub country you could run some cattle here or just sit back and take in the panoramic views. Bitumen road access, power along the road and numerous elevated building sites this one is hard to fault. So whether you are a keen boaty wanting to be close to the dam (can see the water from the block) or just wanting a rural lifestyle we recommend you book an inspection. Priced sensibly at \$379000.

Price: \$379,000.00

Property Type: Rural
