BOONAH

This the place you have been waiting for? 50 acres of good scrub soil with some of the best building sites you are likely to find. This is "soft" country, nicely grassed with kikuyu, rhodes, paspalum & native grasses, some areas of remnant scrub, excellent views, a north easterly aspect and well sheltered from the west. Dam, and mains power runs parallel with the boundary. Minutes from Boonah & Mt French national park just a few km.
