

51 Munbilla Road KALBAR, QLD

 3  1  2  309584.5 m<sup>2</sup>

This could well be the nicest piece of land on offer in the Kalbar region.

Seventy six acres of choice scrub soil running down to some flat country. A large portion of this land has previously been farmed & these activities could be resurrected to make use of the water allocation from Lake Moogerah.. There is a little bit of history in the old Qld style home ( some say it is one of the older homes in the district). There is a hay shed & some basic stock yards. Only a couple of minutes drive from historic Kalbar & with outstanding mountain views we urge your prompt inspections. \$995,000

**Price:** \$995,000.00
