Use your imagination to your advantage

Available to purchase is a total of 653 acres in 3 titles with a 3 b/room timber home & stock yards for \$700,000. The land varies from scrub soil grazing to rougher mountain country. Portions have been planted with plantation timber however good grazing is still available. The property is well located being only 25 minute's drive from Boonah & 5 minutes from beautiful Lake Maroon. Mains power is connected. There are some marvellous views available from the home as well as various other points on the property. The opportunity to acquire a volume of land with multiple titles in a desired location is rare & your prompt inspections are invited and recommended
