A nice tidy little farm

This well located property comprising approx. 68 acres of fertile land could be just the trick to establish a mixed farming enterprise. With approx. 25 acres of creek flat cultivation & serviced by a well equipped with electric motor & pump you will be able to produce a variety of crops. The balance is nice grazing land. A nicely presented timber home with modern kitchen & bathroom has 3 b/rooms, spacious living areas & sun room. There are too many large & useful farm sheds to adequately describe. The property has a sealed road frontage & the home has a marvelous view. School bus & daily postal delivery. Yours for \$780,000.

Price: \$780,000.00
