Lovely Quiet Spot, Great Views

There is no nicer ?creek area? in the district than this. In beautiful Moogerah this 18 acres has a long creek frontage which presents almost park like & rising into a lightly timbered hillside. A comfy 2 b/room home is ready to move straight in to & there is a decent shed. Be self sufficient with the solar power system & back up generator. This is a gem. \$399,000
