New listing. Minutes from town. We have 261 acres in 4 separate titles rising from creek flats across undulating forest grazing to some very interesting timbered hill country. A well presented 3 b/room farm house is surrounded by a full complement of traditional farm buildings, stock yards including stables & round yard. Watered from creek (irrigation licence), 5 dams & bore plus rainwater tanks. Property is securely fenced with 8 internal paddocks. Present owners have planted hundreds of trees. Beautiful views to the mountains. This is definitely "one out of the box." \$995,000
