A large levelled grass area off the gardens has been utilised for many events and functions. Vines include approx. 1950 Verdelho (Portuguese grapes), approx. 1872 Shiraz (Rhone variety), approx. 234 Chambourcin, Merlot and Viognier varieties and approx. 6 acres planted to Durif and Grenache varieties. The land is quality soils there are numerous outbuildings and yards. A nice private setting and only a stones throw from the city make sure you put this on your list to inspect.
