FRENCHES CREEK

3 1

Quality scrub soil south of Boonah, approximately 70 acres well cleared [balance with some re-growth]. Very traditional Queenslander home, three bedrooms, large lounge, dining area, pleasant kitchen, front verandah, enclosed sun-room, Vjs, ceiling roses, French doors, fire-place and air-cond. External improvements include a machinery shed, barn, and old dairy; the property is watered by dams. Nicely located large acreages close to town are difficult to obtain, so your prompt inspection is recommended.
