## BOONAH

3 

Excellent package will suit either. Only a few minutes drive from town, roomy 3 b/room, office, good kitchen, nice bathroom, very generous living areas, polished timber floors, air con, front verandah with wrap around deck. 3 [plus] acres of good soil, established gardens, numerous trees, dam & well kept lawns. Good sheds, rainwater tanks, town water connected. A "good article" which should be inspected ASAP.
