MOGERAH

4 1

In the beautiful Moogerah area. Lovely quiet spot, great views, lowset 4 b/room brick home, built by current owners, overlooks the block planted with many native & ornamental trees. The home is more than comfortable, the property is complemented by 2 sheds [6m x6m] [concrete floors & power connected] Rainwater storage plus a large dam [equipped with fire-fighter pump to provide for garden]. As nice as you will find and very, very, realistically priced ...
