

Banditt Road CANNON CREEK, QLD

🏠 3 🚿 1

📏 33150 m²

Country Living at its best.

Approx. 8 acres of scrub soil tucked away at the end of a quiet country road in a setting of natural hoop pine trees. The original farm house has been renovated & upgraded over the years while still retaining its charm. It has 3 b/rooms, timber kitchen, open plan living/dining, office, bathroom with claw foot bath covered patios & original front veranda. Many features include polished timber floors, solar hot water & wood heater. A host of original old buildings include a slab barn & cream shed. A besser block building with power connected would work as studio. There are stock yards, 2 dams & rain water tanks for domestic purposes. Very special. \$499,000

Price: \$499,000.00

Property Type: Rural
