## Unbeatable. 70 acres with heaps of infrastructure

Minutes from town with a sealed road frontage this property has approx. 10 acres of cultivation & a creek frontage. There is a large c/bond shed which is enclosed on 3 sides as well as an old dairy suitable for a tack room or storage. Good solid stock yards are in place. There is a 1 b/room cottage which is ideal for a weekender. Possibly the nicest property you are likely to inspect in this category. \$649,000
