Lot 31 Bunjurgan Road BUNJURGEN, QLD

81 m2

Fodder Farm

81 acres of fertile country located only minutes from Boonah town centre. Currently being used for hay production this versatile property could be a great addition to your current operation or a solid base to build your own standalone farm. The property has been well set up and is watered by 2 bores through underground main and hydrants. Water is also pumped to a header tank via lagoon for stock use and to feed a series of troughs and other water points. A 28m x 18 hay shed and steel yards are in place with power and water available. Whether it be farming, cattle or horses this property will suit a range of uses so don't miss your opportunity to inspect.

Price: 895,000 plus GST if applicable
