A standout property!

Located only minutes from Boonah town centre but with room to move, this is rural residential living at its best! A large open plan dining/family room opens onto a large tiled North Easterly facing patio which has retractable blinds and offers exceptional views. Currently used as a cinema room/wet bar there is a fully self-contained granny flat with kitchenette & bathroom that is under the main roof-line and would lend itself to the current use, space for the in-laws or even a home based business. Parking for the home is provided by a double lock up garage and there is a solar system that feeds back to the grid. If you have a few toys to house we have got you covered!
