Lot 1 Mt Alford Road BUNJURGEN, QLD

175 m2

An absolutely unique block. Be on the job for this one.

Situated a mere 10 minutes' drive from Boonah is the greatest 70.82 hectare (175 acres) "bush block". Offering stunning views from the top of the escarpment, a rarity for a block of this nature is the sealed road access and having power & town water to the property entry. An option to build on the front of the block or to progress to the higher points as a second alternative. There is a stock water dam in place if the option to run a few cattle was taken up. Very keenly priced.

Price: \$395,000.00

Property Type: Rural
