

Lot 10 Bunjurgan Road BUNJURGEN, QLD

 1 m2

Too good to miss!

As rare as hens' teeth! Approx. 2.5 acres only minutes from Boonah CBD, this will tick some boxes! This fully fenced elevated block has exceptional panoramic views and sits in a lovely rural setting. Bitumen road frontage and power connected, this property is waiting for someone to take to the next level. Already in place is 10m x 8m galvanised shed as well as an old exiting dairy building. A top block in a good location, this will not last!

Price: \$339,000.00
