With water security a major priority in today's current climate, a river like this is one of the most positive attributes to have on a property. A neat and tidy 3 bedroom home with polished timber floors, air conditioning, verandah to take in the views, and set on 8.72 Acres.

There is also a separate cottage with open plan living including bed space, kitchenette, bathroom, air conditioning and verandah. There are numerous sheds including a 2 bay car garage with a carport attached and a 3 bay machinery / hay shed. There is an equipped bore to supply water for the property along with the river. All in all a great property with plenty of potential, enough room for some horses or a few cattle. An inspection will impress, contact agents to inspect.
