A VERY WELL SET UP PROPERTY

Looking for something with no work to be done? This is the dream of a person wanting to downsize their farming operation or even wanting to start a hobby farm. Just an all-round great property with good water supply, fertile soil, impressive improvements and a solid home.

The house is in very good condition. Get ready to showcase your main living area which is complimented by two separate outdoor entertaining areas. The lounge is a great place for the family which also has enough room for an office nook. Separate the kids/visitors with 3 bedrooms and one bathroom on one end of the house and the master suite on the other.

Additional Features:

? Air conditioned living, fans throughout

Price: \$1,000,000 Or Nearest Offer
