A Great Local Business Opportunity

A very solid business opportunity is up for sale with very positive sales results and plenty of potential for further expansion.

The currently run and locally owned business is a high exposure leased site in an ever-growing town, this makes the bones for a great business opportunity or investment. A simple scenario, just a black and white deal, walk in and start earning profit, what you make is what you get.

The current owners have taken this business from strength to strength and with further potential to grow even more. The owners pride themselves with quality from tip to toe and with top notch equipment and a proven business model, this opportunity is one not to be missed.

Operating for almost 5 years with a 6 Day Week Trade and opening hours between 4:30pm to 9pm. This business will tick plenty of boxes, there are more uncharted revenue streams to be explored too.
