"Rosemore"

What a Gem.

Try and find a property of this size and quality this close to the major cities. Properties of this calibre rarely hit the market.

'Rosemore' is nestled in the rolling hills of the picturesque Scenic Rim. A stunning 622.01 Hectares / 1,536.99 Acres with 9 titles. Including quality forest grazing country, with water galore with bores, 12 dams and running gullies there is plenty to like about this property.

With stunning views, many internal paddocks, stock yards, dip, crush, ramp, new large machinery / storage sheds, and a solid 3 bedroom timber home. Rosemore is currently running a very successful low cost breeding operation and also has potential for back grounding and fattening.
