

29B Macquarie Street BOONAH, QLD

3 1 2 809 m2

SOLID HOME - ONE OF THE BEST BUILDS I'VE SEEN

This cracking home has hit the market for the first time ever. A mid-set chamfer board home that has been cared for its whole life. Concrete stumps, timber floors under carpet, masonite walls and exterior chamfer boards that have never skipped a beat. Situated close the schools, parks, two community pools and an easy walk to the town precinct.

Inside is 3 bedrooms, large timber kitchen which has a country feel and includes a gas stove. There is a new air-conditioner in the lounge area which leads out onto the front porch. The old laundry is very substantial with a separate toilet and second shower. Don't let me forget the brand new hot water system! Outside is a great workshop/shed area, total measurements including the lean-to is approximately 9m x7m (concrete floor and power connected).

Price: Offers over \$425,000

Property Type: House
