## Where eagles fly!

Arguably one of the most spectacular sites to have hit the market.

Approx. 100 acres of elevated scrub country with outstanding views only a stones throw from Boonah.

The private site is watered by dams and has 2 road frontage. This Scenic Rim property has unrivalled 360 degree views as far as the eye can see and will not last on today's market. This is definitely one to see!

**Price:** \$875,000.00
