QUALITY RENOVATION ? READY TO MOVE IN!

Not too often does a home with this kind of magnificence become available in our local market. The beautifully renovated home has had no stone left unturned. Starting with the front veranda that looks out to the beautiful mountain ranges of the Scenic Rim. Walking into the home you enjoy real hardwood timber floors with matt finish, freshly painted walls, new fixtures and fittings, air conditioning and a new cosy fireplace in the lounge room. The kitchen is an example of the renovations standard with quality cabinetry, huge bench spaces, modern appliances with a touch of character pieces. Bedrooms have new carpet and are large in size, just like everything else in this house with the addition of an ensuite in absolute tip top condition!

A standout feature in this home is its internal access from under the house to inside the living area. After walking down the internal stairs you will find space for 4 or more cars
