This property is screaming bush retreat, weekend escape, hobby farm, privacy and much more while only being a short 10minute drive to Boonah. It provides true seclusion, not even the dog will hear you come home. The 17 acres offers enough room for a few small animals if desired but most importantly space between neighbours and an environment to watch local wildlife.

The high-set home has great elevation catching nice breezes, ground level entry at the rear and stunning views from the front entertainment area. Speaking of entertainment, this house will impress with the ability to combine the carport, lounge, kitchen & deck into one massive area, not to mention the firepit below. Additionally, the house has 3 bedrooms with the master bedroom
